Tadley Rugby Club

Come Join You'll Love It

RED LANE ALDERMASTON RG7 4PA • 01189 700072 • WWW.TADLEYRFC.CO.UK

Tadley RFC is an amateur rugby club based on the Hampshire/Berkshire border at RED LANE Aldermaston. We have been introducing rugby to the young and old, male and female in the local community for over 30 years. Working with the RFU, developing core values of Teamwork, Respect, Enjoyment, Discipline and Sportsmanship, TRFC has developed and grown from a local village side on borrowed fields to owning a clubhouse with changing facilities and 3 full sized pitches. TRFC has also supported local community organisations, such as music groups, sports groups and schools by enabling them to use the club's facilities, and grounds.

The club currently runs three senior teams, has a thriving junior section with over 350 children ranging in age from 4 to 17 years old. Club teams play in various leagues and festivals across Berkshire, Oxfordshire, Buckinghamshire and Hampshire. Our members have played at different levels from ex-internationals, south west players to county players. The club is also now developing the next generation of players with an ex-club member now in the U20 Ireland squad and signed for Leinster, our other junior members have been picked for the London Irish academy squads and toured with them in France.

We are currently preparing for the forthcoming 2018/2019 and welcome the opportunity to take on new of senior and juniors of all standards. If you feel you either want to lace on the boots again, are new to the area or would like your children to try out rugby. We have a free two week taster session before membership is due.

Registration day is on the 2nd September from 9am for Juniors.

Preseason training has commenced for the Seniors
