The Mortimer Local History Group extends its thanks to all those whose recollections have contributed to the fund of information from which this book has been derived. As well as local knowledge, numerous printed sources have been consulted; in particular The Dictionary of National Biography is acknowledged as the source of much of the information included in the Mortimer family history.

May we specifically thank the staff of the Reading Library's Local Studies Section, the Public Record Office, the Berkshire Record Office and the Hampshire Record Office for their continual helpfulness in dealing with our frequent requests for access to many documents.

In particular we thank:

The Berkshire Record Office for permission to reproduce the 16th century will of Jone Grantham

The Hampshire Record Office for permission to reproduce the "Wanted" poster (HRO reference number 19M68/P0178 deposited by Mortimer West End Parish Council).

Jeff Baker (late of West End Farm) for permission to reproduce the copy of the Enclosure map.

Conversions

Most of the old terms are explained as they occur in the text.

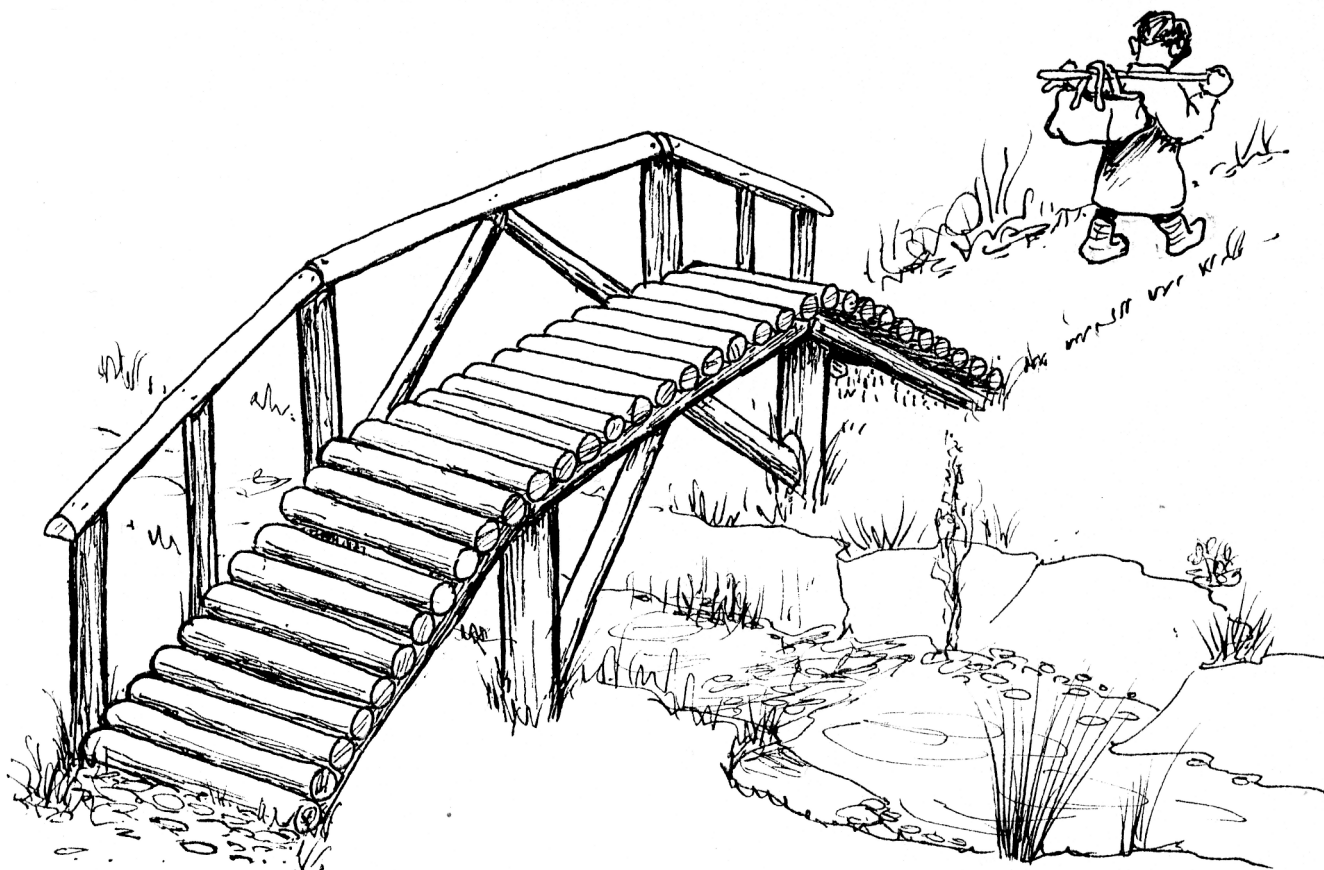

For the references to pre-decimal currency the following may be helpful:

20s (shillings) = £1

12d (pence) = 1s

In older documents, numbers were frequently written in Roman numerals using lower case letters. Thus :

I = 1, ij = 2, iij = 3, iv = 4, v = 5, vj = 6, vij = 7, viij = 8, ix = 9, x = 10 etc.
